Article Numbers: 592993, 592992

Safety Instructions:

- The armrest must be properly installed before use.
- Ensure that the armrest is not trapped during adjustment.
- Avoid excessive strain or improper use to prevent damage.
- Keep the armrest away from heat sources and sharp objects.
- Keep sharp or moving parts away from small children and use child locks to prevent misalignment when the product is being used by children.
- Improper height and width adjustment can lead to a risk of injury or mechanical failure.
