Please note the technical data of the products!

Article Numbers: 66999, 66997

Safety Instructions:

- Only use the sorting station on a stable and level surface to prevent it from tipping over.
- Avoid heavy objects in the upper compartments to minimise the risk of tipping over.
- Follow the assembly instructions carefully to ensure that the product is assembled correctly.
- Users should ensure that the compartments are not overloaded in order to avoid damage or injury.
- If the products fail (e.g. broken parts), the product should no longer be used and should be disposed of if necessary.
- The sharp edges of the steel can pose a risk of injury. Take care when handling the product.
- Tools may be required for assembly, which must be provided separately.
- The product is suitable for dry environments to maintain material integrity.
- Recommended for use in offices. Not intended for outdoor use.
