Safety Instructions:

- Only use the gas cylinder stand for the intended number and type of gas cylinders.
- Ensure that the gas cylinders are properly secured to avoid imminent danger.
- Avoid extreme temperatures and direct sunlight to prevent damage to the material.
- Additional wall fixings are recommended to further increase stability.
- Keep the area around the gas cylinder stand free of flammable materials.
- Do not use the stand if it is visibly damaged or if parts are missing.
- Read the supplied instructions carefully before use.
