Article Numbers: 96010, 96009

Safety Instructions:

- Note high load capacity of up to 600 kg. Max. Do not exceed the maximum load capacity of 600 kg.
- Take safety precautions when transporting heavy loads. Take care when transporting heavy loads.
- Ensure that the swivel castors are firmly in place to prevent the trolley from tipping over.
- Do not overload the product to ensure stability.
- Only allow children to use the product under supervision.
- The product may slip on slippery surfaces, so wear appropriate footwear when using it.
- Regularly check the wheels and rolling mechanism for functionality to avoid injuries.
- Use on uneven terrain could increase the risk of tipping over; drive carefully.
- Use of protective equipment recommended for multi-person transport.
