Article Numbers: 96014, 96013

Safety Instructions:

- The maximum load capacity of 500 kg must not be exceeded in order to ensure safety.
- Use on unsuitable surfaces or uneven surfaces can lead to tipping. Make sure you use stable surfaces or place the product on a level surface.
- Trolleys must be handled with care when transporting heavy loads in order to avoid injury.
- Please apply the handbrake on the castors after parking the trolley to prevent it from rolling away.
- Keep the trolley away from children and do not use the product as play equipment to avoid the risk of injury.
- Caution: Product has sharp edges; risk of injury.
- Check the integrity of the rollers regularly; do not use if damaged.
