

# Product Safety Information

## Shelf ULM, 3 file heights, W 406 x H 1270 mm

Please note the technical data of the products!

**Article Numbers:** 15580, 15564, 15334, 15333, 103551

### Safety Instructions:

- Do not load the shelf beyond the recommended load to avoid structural damage.
- Only use the shelf on a stable and level surface to ensure stability and prevent it from tipping over.
- Keep the shelf away from direct heat sources and moisture to prevent damage.
- Pay attention to sharp edges and be careful when handling to avoid injury.
- If you are unsure about installation, consult a specialist and follow the installation instructions carefully.
- Only use the shelf for its intended purpose in order to minimise hazards.
- Keep small parts and other potentially dangerous objects out of the reach of children.
- Regularly check the stability of the shelf, tighten loose screws if necessary.
- The shelf is only suitable for indoor use and must be fixed to the wall to prevent it from tipping over.
- Do not use chemicals or aggressive cleaning agents to clean the shelf.
- Do not place heavy or easily tipped objects on the upper shelves.
- The shelf could tip over if it is not assembled correctly, so use the instructions supplied.
- Set up out of the reach of children to avoid the risk of injury.
