Safety Instructions:

- Ensure that the insertion plates are used safely to prevent injuries caused by improper handling.
- The back of the insert labels is fully magnetic; ensure that no nearby electronic devices are affected.
- Do not use on sensitive surfaces as the magnetic back can cause damage.
- Not suitable for children under 3 years of age as it may contain small parts that pose a choking hazard.
- Before use, check the magnetic adhesive force on the surface and ensure that the magic backing is only used on ferrous surfaces to prevent slipping.
- Avoid contact with water or damp environments so as not to impair the adhesive strength.
- Do not place near fire or other heat sources as this could affect the structure of the material.
- Do not use the product within reach of small children to avoid the risk of choking on small parts.
- When changing the cardboard inserts, make sure that they are firmly seated and correctly inserted to ensure optimum stability.
