Safety Instructions:

- For use on non-ferrous surfaces, use suitable brackets and ensure that the special bracket is securely attached.
- Not suitable for children under 3 years of age as it may contain small parts that pose a choking hazard.
- Keep away from children to avoid the risk of choking on small parts.
- The viewing pockets are not waterproof and should not be used near water or in damp environments to prevent damage to the material.
- Do not use near naked flames or heat sources.
- Avoid outdoor use without protection from direct sunlight, as the product is not UV-resistant.
- It should be used in accordance with the intended application instructions to prevent damage or improper attachment.
- Securely attach special retaining brackets to prevent falling.
- To avoid damage, do not overload the viewing pockets.
- Do not install on unstable or uneven surfaces to avoid injury.
- The viewing pockets are not magnetic and require alternative fastening methods.
- Please read the safety instructions carefully before use.
- Close the rain protection flap in wet conditions, even if the product is not suitable for use in extreme conditions.
