Safety Instructions:

- Ensure that children do not play with the magnets to avoid the risk of suffocation. Not suitable for children under 3 years of age due to choking hazard from small parts.
- Caution: Contains strong magnets. May attract small metal objects. Keep away from small children to avoid choking hazard.
- Do not inhale or swallow magnets. If ingested, seek medical attention immediately.
- Magnets can interfere with electronic devices or cards. Keep your distance from such devices. Do not use in the vicinity of electronic devices or data storage media, as strong magnetic fields can cause data loss.
- Do not use the product in damp environments to avoid jeopardising the adhesion of the magnets. The magnetic pockets should be used on solid surfaces to ensure secure adhesion.
- Caution: Contains strong magnets. Dangerous for sensitive electronic devices.
- Do not use magnetic pockets at extreme temperatures to avoid damage.
- When cleaning the magnetic pockets, ensure that no abrasive cleaning agents are used.
- Only use the magnetic pockets for their intended purpose.
- Check whether the magnetic pockets are damaged before use.
- Keep out of the reach of children.
