### Safety Instructions:

- Ensure that the drip tray is suitable for the intended cleaning agents.
- Check the drip tray regularly for leaks, wear and damage to prevent leaks.
- Carry out installations on a stable and level surface.
- Read the operating instructions carefully and observe them.
- Observe safety warnings and instructions for handling cleaning agents and safety data sheets.
- Wear protective clothing to avoid skin contact with cleaning agents.
- Sump trays are designed according to DIN standards for safe use.
- Do not overload the tub to prevent it from tipping over or breaking.
- Product safety recall required in case of serious risks.
- Ensure that all safety requirements are met in accordance with the applicable regulation.
- Check conformity of the product with technical documentation.
