Safety Instructions:

- Make sure that the clamps are securely fastened when in use to prevent them from falling down and possibly causing injury.
- Avoid contact with water to prevent short circuits or material damage.
- The clamps should be kept out of the reach of children to minimise the risk of injury.
- Not suitable for children under 3 years of age as small parts can be swallowed.
- Improper use can reduce the adhesive force of the clamps, resulting in a loss of function.
- Protect the product from fire and extreme temperatures.
- Suitable for use on conductive surfaces to ensure adhesion.
