Safety Instructions:

- Ensure that the office trolley is placed on a stable and level surface to prevent it from tipping over.
- Only use the castors provided and the parking brakes to move the trolley and prevent it from rolling away.
- Keep the trolley away from children and only use the product under the supervision of responsible persons to avoid injury.
- The maximum recommended load must not be exceeded in order to ensure safety.
- Store heavy objects on the lower shelves to increase stability.
- Check wooden products regularly for damage and protect edges and surfaces from sharp or rough edges.
- Read the assembly and operating instructions carefully before using the trolley.
- Do not use any aggressive cleaning agents on the surfaces.
