

Product Safety Information

Swivel chair 9151 ESD

Please note the technical data of the products!

Article Numbers: 141446, 141445

Safety Instructions:

- Safety warnings should be provided for all users, especially for people with disabilities, in simple, understandable language.
- Ensure that the chair is assembled and used correctly to avoid injuries, choking hazards from small parts and tipping or wobbling.
- The maximum seat height and weight should not be exceeded in order to ensure safety and avoid the risk of injury due to improper height adjustment or overloading.
- Risk of electric shock due to improper use of electrical components at ESD workstations.
