Article Numbers: 22724, 22723

Safety Instructions:

- Make sure that the wall cupboard is securely attached to the wall to prevent it from tipping over and regularly check the stability and condition of the cupboard to ensure that it is safe to use.
- Avoid harsh or abrasive cleaning agents so as not to damage the stainless steel surface.
- Ensure that the cabinet is installed in accordance with the hygiene regulations of the food industry.
- Do not use the cabinet to store non-food-safe materials.
- Ensure that the shelves are properly secured to prevent them from falling.
- When installing, ensure a stable base to prevent the unit from toppling over.
- Suitable for storing food in accordance with the applicable hygiene regulations.
