Safety Instructions:

- Before use, ensure that the lid is correctly positioned on the transport box to prevent it from slipping or being opened unintentionally. Using a transport box with an unsuitable lid can lead to damage or loss of the contents. Only use the lid for the intended transport boxes to avoid the risk of injury.
- Not suitable for use by children under the age of three, as small parts can break off. Keep the transport box and lid out of the reach of small children.
- The product should be protected from direct sunlight and extreme temperatures to avoid deformation of the plastic. Protect from direct sunlight, as UV rays can damage the material.
- Keep the transport boxes and lids away from sharp objects and chemicals to prevent damage. The product may contain chemicals; avoid direct contact with food.
- Avoid placing excessive weight on the lid to prevent breakage.
- Observe the safety instructions when using the product.
- Only recommended for indoor use to avoid damage from the weather.
- Store safely after use to minimise the risk of falling and injury.
