Article Numbers: 96001, 96000

Safety Instructions:

- Take care when lifting heavy barrels; risk of injury due to improper use.
- Ensure that children do not come into contact with the product; the product is not intended for use by children.
- Regularly inspect the safety bars and handles; these parts can become loose or damaged.
- Use the handles as intended; do not make any changes to the design or safety features.
- Take the total weight of the drum into account during transport; do not exceed the maximum load capacity of 250 kg.
- Risk of suffocation due to moving parts if handled incorrectly.
- Risk of serious injury if the load capacity of 250 kg is exceeded.
- Caution: Always ensure a secure footing when using the appliance to prevent it from tipping over.
