Article Numbers: 810802, 810801, 810800, 810799, 810798

Safety Instructions:

- Not suitable for children under 3 years, choking hazard due to small parts.
- Use the product at your own risk, take special care when handling.
- Do not exceed the maximum adhesive force to avoid injury.
- When using several magnets, keep them apart to prevent them from sticking together.
- Caution: Strong magnets can be dangerous, especially if handled incorrectly.
- Do not use in the vicinity of electronic devices to avoid interference.
- Caution: adhesive force of up to 4 kg; avoid contact with sensitive surfaces.
- Risk of injury due to improper use or overloading of the magnet.
- Avoid contact with water and aggressive chemicals.
- Use only in dry environments; moisture can impair adhesion.
- Safety information: Do not use for heavy objects; there is a risk of them falling.
