Safety Instructions:

- Not suitable for children under 3 years due to choking hazard from small parts.
- The material may be damaged at temperatures outside -15°C to +80°C. Avoid extreme temperatures and direct sunlight.
- The box is not suitable for storing food.
- The transport box should not be overloaded during use to prevent it from tipping over and causing injury.
- Not suitable for storing hazardous substances.
- Make sure that the lid is securely closed to prevent the contents from falling out.
- Be careful when lifting the box to avoid injury, especially if it is overloaded.
- The box should not be used near open flames or above 80°C.
- When stacking, ensure that the boxes are stable to prevent them from tipping over.
- Ensure that the box is used on a stable, level surface.
- Avoid contact with sharp or pointed objects to prevent damage to the box.
- Do not use as a seat or standing surface.
- Follow the correct disposal instructions for the recycling material.
- Avoid prolonged exposure to moisture to prevent material damage.
- Keep the box out of the reach of children.
