Safety Instructions:

- Ensure that individual hooks are securely mounted and firmly anchored to prevent them from falling and causing injury.
- Avoid sharp objects or excessive weights on the hooks to prevent damage.
- The product is not suitable for use in damp or wet environments in order to avoid corrosion and material wear.
- Take care when mounting; incorrect mounting can lead to injuries.
- The product is not suitable for children under 3 years of age; choking hazard due to small parts.
- Do not touch the hooks with wet hands to avoid the risk of slipping.
- Do not exceed the maximum permissible load to avoid the risk of breaking or falling.
- The product is not suitable for use by children without supervision. Keep small parts away from children.
- Ensure that all safety instructions are followed during assembly.
- Regularly check the condition of the hooks and the wall profile for wear or damage.
