Safety Instructions:

- The dispenser should be mounted stably during installation to prevent it from tipping over.
- Sharp edges of the stainless steel tear-off edge could pose a risk of injury.
- Improper use, especially by children, can lead to injuries, therefore the dispenser is not suitable for use by children.
- The dispenser is not suitable for outdoor use as it is not weatherproof.
- Keep the dispenser away from fire and hot surfaces.
- Regular cleaning is recommended to ensure hygiene.
- Check the integrity of the dispenser before use.
- Do not install near water or damp environments.
- The product is not suitable for use in extreme temperatures.
- Improper handling can cause damage to the dispenser.
- In the event of damage, react immediately and stop using the dispenser.
