Article Numbers: 825139, 825138

Safety Instructions:

- Risk of electric shock due to improper use. Ensure safe and appropriate handling during use.
- Observe overload protection.
- Do not run the cable through sharp edges or heat sources. Do not use the cable near heat sources.
- Do not use in the rain or in puddles unless expressly intended for this purpose. Do not immerse the cable in water or use it in the rain.
- Ensure that the electrical system is earthed.
- Do not damage or remove the earthing contact plug and coupling.
- Check for visible damage before use.
- For outdoor use, ensure that the operating location meets the safety requirements.
