Please note the technical data of the products!

Article Number: 97780

Safety Instructions:

- The pallets may only be loaded with the specified load capacity of up to 1500 kg.
- If used improperly, the pallets can tip over, which can lead to injuries.
- Please ensure that the pallets do not show any visible damage before they are used.
- The pallets are not suitable for use in damp environments without appropriate treatment.
- Ensure that the pallets are stacked correctly to prevent them from falling over.
- The pallets should not be exposed to direct sunlight for long periods of time to avoid warping the wood.
