Article Number: 46681

Safety Instructions:

- Ensure that the appliance is only used with stable and suitable cleaning agents.
- May only be operated by trained personnel to avoid improper use and potential hazards.
- Point out suitable protective equipment, especially safety goggles and gloves during cleaning activities.
- Ensure that the cleaning fluid does not come into contact with skin or eyes to avoid chemical injuries.
- The appliance must be checked regularly for possible leaks in the cleaning fluid in order to minimise environmental risks.
