Article Numbers: 156942, 156941, 156940, 156939

Safety Instructions:

- Use only for specified liquids (acids and alkalis), as the canister is approved for this purpose.
- Do not use near food unless expressly authorised.
- Do not overheat or use near sources of ignition to avoid hazardous reactions.
- Always store and transport safely to prevent leakage, tipping or damage.
- Only to be used by trained personnel or under adult supervision.
- Observe the labelling and follow the instructions for safe use.
- Check for integrity before use to avoid leaks and hazards.
- Wear protective clothing, gloves and eye protection during use.
- In case of skin or eye contact, rinse immediately with plenty of water and get medical attention.
- Keep out of the reach of children, store in a childproof place.
- Dispose of safely after use or clean to avoid contamination.
- Store away from direct sunlight and high temperatures.
- Check regularly for damage and replace defective canisters.
