Safety Instructions:

- Keep the product and its parts away from children to avoid the risk of choking on small parts.
- The product is not suitable for children.
- Ensure that the labels do not come into contact with food products during use.
- Use the labels in accordance with the price labeller's instructions to prevent injury.
- Make sure that the labels are inserted properly into the price labeller to avoid incorrect labelling.
- Use the labels at your own risk; always read the price labeller's instructions for use to avoid damage or malfunctions.
- Safety information should be included that is easy for consumers to understand.
