Please note the technical data of the products!

Article Number: 81362

Safety Instructions:

- Before using the toner cartridge, open the packaging carefully to avoid soiling.
- The toner cartridge is not suitable for children; keep away from small children.
- Toner should not be inhaled; in case of contact with eyes or skin, rinse immediately with water.
- Please observe the local regulations for the disposal of household waste and dispose of the empty cartridge accordingly.
- To avoid overheating, which could affect printing results, ensure that the printer is not blocked.
