Safety Instructions:

- Ensure that the self-adhesive padding foam is correctly attached to prevent it from falling.
- Small parts could pose a choking hazard in the vicinity of small children. Not suitable for children under 3 years of age.
- Pay attention to sharp edges to avoid injury. Note: Improper handling can result in sharp edges.
- The clamping strip must be correctly and firmly attached to the wall to prevent injuries and slipping.
- Only use for the intended formats to avoid damage and dangerous situations.
- Do not use the product near water sources.
- Keep the product out of the reach of children. Not suitable for children to minimise the risk of injury.
- Use at your own risk; disclaimer should be available.
- Clear instructions and safety information must be included.
