Safety Instructions:

- Always set up in a dry, well-ventilated area to avoid moisture and mould growth; only use the cabinet in a dry room to avoid damage caused by moisture.
- When installing, anchor on a stable and level surface; secure anchoring of the product is required to prevent it from tipping over.
- Protect from direct sunlight to avoid discolouration and material degeneration.
- Check the safety lock regularly for functionality and keep the keys in a safe place; ensure that only authorised persons have access to the keys.
- Only use for storing documents to avoid the risk of fire.
- Weight of 400 kg - exercise caution when handling.
- Use a high-security lock to prevent unauthorised access.
