Safety Instructions:

- Caution: High load capacity of 250 kg. The product may break or injure people if overloaded or used incorrectly.
- Choking hazard due to small parts or packaging material.
- Risk of serious injury if heavy loads are handled or transported incorrectly. Always watch your back.
- Not suitable for children. Product can be dangerous if used incorrectly.
- Always wear suitable personal protective equipment.
- Position the tyre transport trolley on a stable surface to prevent it from tipping over.
- Use safety bars on the handles to prevent slipping.
- Do not overload tyres to avoid bursting, especially pneumatic tyres.
- Use only on firm, level ground to prevent tipping over.
- Check the product regularly for damage and wear, especially tyres and steel structure.
