Safety Instructions:

- Do not store in the immediate vicinity of heat sources or in direct sunlight.
- Batteries must be kept away from children to avoid the risk of suffocation.
- Only charge with chargers intended for this purpose.
- The batteries must not be dismantled, short-circuited or thrown into the fire.
- When disposing of the batteries, observe the local regulations for environmentally friendly disposal.
- Do not immerse batteries in water or expose them to extreme temperatures.
- Do not insert anything into the battery that is not intended.
