Article Numbers: 68359, 68358, 185736, 185735

Safety Instructions:

- Do not throw batteries into fire or expose them to extreme temperatures to avoid explosions or leaks.
- Do not use damaged batteries to avoid the risk of electric shock.
- Keep out of the reach of children to avoid the risk of choking on small parts.
- Do not bring the batteries into contact with water or other liquids.
- Only use devices intended for this purpose (e.g. devices suitable for AA batteries).
- Store batteries in a cool, dry place away from direct sunlight.
- Improper handling can lead to leaks or overheating.
- Do not handle batteries violently as there is a risk of explosion.
- Only discharge and dispose of batteries in the prescribed format.
- Always follow the manufacturer's instructions.
- Do not disassemble or damage the batteries.
- Ensure that the batteries are empty before disposing of them.
