E-Mail: info@schaefer-shop.de

Please note the technical data of the products!

Article Numbers: 811001, 811000, 810999, 810998, 560199, 560198

Safety Instructions:

- Use heat-resistant window film and do not exceed the temperature to prevent discolouration.
- Avoid contact with naked flames or hot surfaces.
- Protect plastic materials from improper storage to avoid melting or deformation.
- Not suitable for children as there is a risk of strangulation and suffocation due to small parts.
- May only be printed with laser printers, avoid other printing methods and include instructions for safe handling.
- Protect from direct sunlight and high temperatures, do not store near heat sources.
- Avoid contact with water, as this can impair the print quality.
