Safety Instructions:

- Not suitable for children under 36 months - choking hazard due to small parts.
- Before use, ensure that the stacking frame is stably assembled and positioned to prevent it from falling over.
- Observe the maximum load capacity of the stacking frame and do not apply excessive loads to avoid overloading and the risk of breakage.
- Only suitable for use with compatible space-saving tanks. Use with unsuitable tanks can lead to instability.
- Attach the tensioning straps correctly and check them regularly for damage to prevent the tank from slipping and tipping over.
- Suitable for indoor use. Do not use outdoors or in damp environments to prevent loss of stability.
- Take care when fitting the tensioning straps to avoid injury.
- Follow all handling and safety instructions in the user manual before use.
- Keep the stacking frame away from warm surfaces and direct sunlight to prevent material damage.
