Safety Instructions:

- Ensure that the product is securely mounted to minimise the risk of injury. Follow the attached safety instructions for installation and use.
- Make sure that there are no sharp edges or dangerous points. The product may have sharp edges; therefore take care when handling.
- Keep the product out of the reach of children to avoid injury. It may not be suitable for their use.
- Use suitable hooks and brackets that are designed for the load-bearing capacity of the panel. Sufficiently secure and stable fastenings are required for installation.
- Using the product for unintended purposes can lead to dangerous situations. Do not use with incompatible accessories.
- To avoid damage, do not use the product in extreme temperatures or humid environments.
