Article Number: 96215

Safety Instructions:

- The workbench may only be used by trained personnel.
- Ensure that the height of the workbench is set correctly to prevent injuries during use.
- Keep the work area clean and free of obstacles to minimise the risk of tripping and falling.
- Regularly check the hydraulic height adjustment for proper functioning and possible leaks.
- Avoid contact with water or other liquids to prevent electric shocks.
- Workers should wear protective personal protective equipment, including gloves and goggles, especially when using tools.
