Safety Instructions:

- Take care when lifting heavy loads; there is a risk of back injury.
- Please note the stability of the construction; improper use can lead to tipping over.
- Use the anti-slip mat to prevent the product from slipping. Regular checks for wear and tear are necessary.
- Ensure that all screws and connections are firmly tightened before use.
- For optimum safety: Use the product in accordance with the instructions provided and read all installation and safety instructions.
- Ensure that the Vario shelf is stable and secure to prevent it from tipping over or falling.
- When adjusting the height, ensure that the parts are securely locked in the desired position.
