Article Numbers: 160148, 160124, 160123

Safety Instructions:

- Do not exceed the maximum load capacity of 30 kg.
- Use only recommended on stable and level surfaces.
- Avoid improper installation of the clamping foot.
- Ensure that there are no obstructions that may impair the operation of the telescopic column.
- Do not set the plate above a sufficient height.
- There is a risk of injury from falling if used incorrectly.
- Make sure that the desk is securely fastened to the desk top to prevent it from falling over.
- Make sure that the telescopic column made of sturdy steel is not damaged to ensure stability.
- Do not use the desk if it is visibly damaged.
- Keep children away from the desk to avoid injury.
- Only install on stable, suitable desk tops.
- Safe installation and use in accordance with the instructions.
- Regularly check the stability and fastenings.
- In the event of uncertainties or damage, check immediately and shut down if necessary.
- Take particular care when using in households with children.
