Safety Instructions:

- To avoid injury, make sure that fingers or other parts of the body do not get into the mechanism when punching.
- The hole punch should only be used under the supervision of children, as sharp edges pose a risk of injury.
- Ensure that the hole punch is used on a stable surface to prevent it from slipping.
- Use of the product is at your own risk.
- The product should only be used in accordance with the safety guidelines listed in the manual.
- Use only for its intended purpose. Do not bring near children.
- Users should take care not to pinch their fingers between the containers.
