Safety Instructions:

- Using the shoe rack can cause tripping and injury hazards.
- Do not allow children to access the shoe rack without supervision.
- Ensure that the shoe rack is stable and properly installed to prevent it from tipping over.
- Regularly check the stability and safety of the shoe rack, especially after prolonged use.
- Avoid placing heavy or excessive loads on the shoe rack.
- Do not use the shoe rack as a seat or to support excessive weights.
- Keep the area around the shoe rack free of slippery objects to minimise the risk of falling.
- Do not use near damp or wet areas to avoid the risk of slipping.
- Ensure that the product has no sharp edges to avoid injury.
- Instructions for safe installation and use must be included with the product.
- Clear age labelling must be provided for appropriate age and use.
