Article Number: 91969

Safety Instructions:

- The steps are only partially stable under load. Make sure that the weight is evenly distributed.
- Before stepping onto the trolley, check the stability and functionality of the steps.
- Avoid using the trolley in uneven or slippery areas to minimise the risk.
- Do not keep the shelf trolley loaded beyond the maximum load capacity of 250 kg.
- When in use, safety bars should always be used to prevent sudden movements of the pushchair.
- Children should be excluded from using the trolley to avoid injury.
