Article Number: 150181

Safety Instructions:

- The cabinet should be placed on a stable, level surface to prevent it from wobbling and tipping over.
- Maximum load capacity of each drawer: 80 kg to prevent overloading and damage.
- Keep the product away from children unless expressly intended for their use.
- Avoid using the cupboard as a ladder or for climbing to prevent the risk of falling.
- Users should not overload the drawers to ensure safe handling.
- Carry out regular inspections for loose parts or damage to minimise safety risks.
