Safety Instructions:

- Make sure that the desk is stable to prevent it from tipping over.
- Ensure that the lectern is placed on a stable surface to minimise the risk of it tipping over.
- The swivel castors should be checked regularly to ensure that they are in perfect working order, especially if they are used intensively.
- Do not use the console in dingy or extremely humid environments.
- Keep the desk away from children when it is not in use.
- Avoid placing heavy or unsecured objects on the lectern to prevent injury.
- Keep the reading desk away from water and other liquids to ensure the safety of the electrical components.
- Ensure that the parts are properly assembled to avoid injury.
- Follow the assembly instructions to ensure the safety and stability of the product.
