Article Numbers: 97273, 97271

Safety Instructions:

- Please do not exceed the load capacity (max. 400 kg).
- Caution: Do not use the vehicle with an excessive load (max. 400 kg) to avoid instability.
- Only use the trolley on firm, level surfaces.
- Note: Use only on level surfaces to avoid the risk of tipping over.
- Make sure that the wheels are always in perfect working order.
- A supervisor must be present when the equipment is used by children.
- Make sure that loose objects are securely positioned to prevent them from falling.
- Caution: Risk of falling when pushing the trolley without an appropriate handrail.
- The push handle height is 960 mm; make sure that the user fits this height.
- Important note: Please do not use the push handle as a handlebar, as this can impair control of the pushchair.
