Safety Instructions:

- Not suitable for children under 3 years of age as small parts can be swallowed.
- Protect the worktop from extreme temperature fluctuations and avoid moisture to prevent deformation.
- Ensure that the worktop is stable and securely mounted to prevent injuries and tipping over.
- Avoid contact with water to prevent damage to the wood surface.
- Wear safety goggles and gloves when using as a workbench.
- Avoid contact with sharp edges of the steel cover due to risk of injury.
- Be careful when handling threaded sleeves, use them only for their intended purpose to avoid injury and to ensure stability.
- Keep the product out of the reach of children to avoid danger.
- The worktop is heavy; care must be taken when lifting to avoid back injuries.
- This worktop is not suitable for contact with the underside of hot objects.
