Safety Instructions:

- Due to the use of threaded sleeves and the possibility of improper assembly, there is a risk of injury from falling structures.
- Although the green plastic coating is resistant to acid-free oils, certain chemicals can cause damage. Only use suitable cleaning agents.
- The worktop should only be fitted and used by adults to avoid injury or damage.
- Make sure that the worktop is mounted on a stable base to ensure stability and safety.
- Before installing the worktop, check all parts for damage or defects to ensure that safety is guaranteed.
