Article Numbers: 150256, 150255

Safety Instructions:

- Not suitable for children as the seals can be swallowed and there is a risk of choking. Keep out of the reach of children.
- Ensure that the seals do not come into contact with food to avoid health risks.
- Ensure that the seals are correctly inserted into the intended openings to prevent unintentional opening.
- The seals must not be used by children without supervision, as they may be swallowed.
- If handled incorrectly, there is a risk that the seals may break and cause injury.
- The use of the seals is limited to the recommended purpose in order to minimise safety risks.
