**E-Mail:** info@inka-paletten.com

Please note the technical data of the products!

**Article Number:** 98143

### Safety Instructions:

- Protect product from moisture and excessive load
- Observe the load capacity of 500 kg during use
- Avoid sharp edges on the pallet to prevent injuries
- Coordinated use for air travel, due to its light weight
- Make sure that the pallets are stacked stably to prevent them from tipping over
- The pallets are suitable for transport, but should be protected from extreme temperatures
