Article Numbers: 137767, 137766, 130219, 130218, 130217, 130216, 130215, 130214, 130213, 130202, 130199

Safety Instructions:

- Wear appropriate personal protective equipment, including gloves and mask, to prevent skin and respiratory diseases.
- Use in well ventilated areas or outdoors before and during application to minimise vapours.
- Note flammability: Keep away from naked flames and sources of ignition and ensure that there are no flammable materials in the vicinity.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water and seek medical attention if necessary.
- Do not use in closed rooms without adequate ventilation.
- Dispose of paint and solvent residues in accordance with local regulations and inform about possible environmental hazards.
- Ensure that there are no harmful chemicals or unauthorised substances in the paintwork.
- Label products in accordance with the safety standards of Regulation (EU) 2023/988 and provide easily understandable safety information.
- Regular checks and maintenance of the painted product are recommended to ensure safety.
- Ensure that the paintwork is completely dry before the painted object is used again.
- Keep out of reach of children.
- Clean the product thoroughly before use to remove any colour residue.
