Safety Instructions:

- Ensure that the fixings are correctly installed to prevent them from falling. Ensure that all hooks and brackets are properly installed to prevent accidents. Injuries can occur if not installed correctly; follow the installation instructions.
- The manufacturer is not liable for damage resulting from improper installation.
- The maximum load capacity should not be exceeded in order to avoid a safety risk. Do not subject the product to excessive loads to avoid structural damage.
- Caution: Product may be unstable if used incorrectly.
- Do not use as a climbing aid to avoid falls.
- Intended for indoor use. Do not use outdoors.
- When used in safety-relevant areas, check regularly for damage.
- Ensure that small parts cannot be swallowed to avoid the risk of choking.
- Protect the product from direct sunlight and moisture in accordance with the instructions.
