Safety Instructions:

- Make sure that the umbrella stand is stable to prevent it from tipping over. Avoid slippery or uneven surfaces.
- When using the umbrella stand in public areas, ensure that there is no risk of tripping.
- The product is heavy. Be careful when transporting and handling it.
- The umbrella stand is not suitable for children. Risk of injury due to improper handling and falling over. Ensure that children do not play with it or place it out of their reach.
- Be aware that the surface of the umbrella stand can be slippery in damp conditions and check regularly for rust or flaking of the coating when used outdoors.
- Make sure that the surface does not have any sharp edges or rounded corners to avoid injury.
